8<sup>th</sup> January 2021

We are still stick to our view of market going higher for 2 more months.

DEMARC is marking this month a "8" out of "9" setup: usually after a setup completed we can see a retracement in the trend of At LEAST 1-2 months.

Next level on upside is 3,850 area.

Also Eurostoxx can set higher towards major resistance set in the 3,770 - 3,840 area.

DEMARC near to a countdown confirmation.
